Report of Principal and School Improvement Council

James Simons Elementary (JSE) in downtown Charleston is a Title I school with a Montessori focus. We currently serve children three years old to grade six, with an enrollment of 254 students. Our staff have very high standards for themselves as well as each student and are passionate about teaching and learning. They have created a positive, nurturing school environment. To increase scores in all disciplines, we have adopted the Montessori curriculum, which promotes children's inherent love of learning by giving them the opportunity to be spontaneous and engage in meaningful activities under the guidance of a trained instructor. Montessori classrooms provide prepared environments where children are driven naturally to work and learn. They develop concentration, motivation, persistence, self-discipline and within this framework of order they progress at their own pace and rhythm according to their individual capabilities. The organized curriculum presents lessons simply and concretely in the early years, re-introducing them in subsequent years in more abstract and complex presentations.

Professional Development is an integral part of our school week based on a variety of school data. Students in all grades have increased literacy and numeracy skills as measured by research-based assessment tools. A Response to Intervention Model (RTI) is fully implemented at JSE and resulted in an increase in student performance. Increased student leadership and decision making is in place through Positive Behavior Interventions and Supports (PBIS). PBIS is practiced school-wide with student recognition for appropriate choices in and out of school. Our goal for PBIS is to improve immediate behavior as well as to provide students with life skills necessary for positive and productive decision making. Our PBIS model is shared with families to assist with the transition of concepts within the home.

Collaboration with community agencies continues in an effort to provide assistance for specific student and family needs. Parents are provided information and resources to enhance student learning throughout the school year. Communication includes on-going parent sessions, student agenda books, daily homework folder, weekly courier information, monthly calendar of events, newsletters, phone calls, e-mails, report cards, monthly progress reports, notes and conferences.

James Simons Elementary is one of four schools in the Charleston Promise Neighborhood (CPN). The CPN is a nonprofit organization modeled after the highly successful Harlem Children's Zone project and is designed to ensure that every child and family has supports they need to thrive. The goal of CPN is to transform families within a generation. A few of the services provided through CPN include a health clinic, mental health services, and a college culture curriculum.

Continuous effort to increase parental involvement includes vigorously recruiting parents to attend school events, volunteer, and participate in decision-making teams. We believe that community involvement is a vital component of school success and are proud of our committed partners – two Universities, several churches, our mayor's office, and several local businesses.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	55.3
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

James Simons Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
